The New Swimming Pool In Regular Use

It's here and it's wonderful! The beautiful new swimming pool is ideally located on the west side of the campus near the site of the old one. It is a thing of beauty and is going to be a source of great delight for many years to come. Approximately fifty feet wide at the wide and shallow end, it has a length on the back side of nearly one hundred feet. Since its shape is a bit of an elbow, the narrow side is a little shorter. The narrow end, twenty-five feet wide, is the diving well equipped with two boards —one one-meter high, and one three-meters high.

This pool was designed by R. D. Tillson and Associates of High Point and constructed by Gilbert Engineering Company of Statesville. Its design was dictated by the three functions that were to be served. Special consideration was given to the fact that the little people would need shallow water and a wide place in which to play. Secondly, a large group of boys and girls would need water of reasonable depth for playing and swimming; and that no pool would be satisfactory without the diving boards and the diving well. Thus the depth of the pool goes from two feet in the shallow corner to eleven feet under the high board, meeting the regular specifications for pools of this kind. On the opening day there were more than a hundred and twenty-five in the pool for the first opening and while various turns had to be awaited at the diving board, there was room for all in the play area.

In the event that swimming meets are desirable, the diving will be postponed, the rope dividing the well from the play area will be removed and a five lane swimming area can be set up. Designed and equipped with a filtering system which will guarantee pure water for swimming, this pool will be a delight both day and night. A tall pole at one end of the pool affords ample light for night swimming. This will be an innovation at Barium Springs and a delightful one for all those who enjoy a dip in the cool of the evening.

NEW SWIMMING POOL OPENS

MEMORIAL FUND IS LOVE IN ACTION

More than two dozen boys and girls of the Barium family would vouch for the accuracy of the above headline. It would be found in various places of learning and training away from Barium Springs. Reaching up and down the eastern seaboard from South Carolina to New Hampshire. Each of them was able to go to college or go into the training of their choosing only because of the Memorial Educational Fund. All through the years of the history of Barium Springs individuals have been interested in assisting the boys and girls of the Home but never has there been sufficient funds to meet the needs. Special educational funds have been established but the earnings of these funds were not adequate to guarantee the boys and girls of the Home additional training after they had finished their high school course.

When the new church building was finished, the Board of Regents continued the memorial fund and made it applicable to the Educational Fund. Thus, guaranteeing to every Barium boy and girl the opportunity of pursuing after high school graduation some course of study or training for which he was best suited.

At the time of death, friends and loved ones express their love and sympathy to the family of the deceased by sending a cash contribution to Barium Springs for the memorial fund. Upon receipt of this contribution, a letter of appreciation is written to the donor and a special letter telling of the gift and the use of which it is to be applied is sent to the surviving members of the family. Thus, the dearest loves of those who have made contributions are interwoven into the Educational Fund and become a part of the life of the boys and girls who are the recipients of the fund.

How does it work, someone asked? The answer is that the student and the Home go into partnership. His summer earnings are made applicable to his own needs. He is required subsequent to his first semester or the first year in school to obtain some job through which he can help himself on the campus during his winter study. The funds from the Educational Memorial Fund then guarantee that tongue and buckle will meet and sometimes it's a wide gap between tongue and buckle from the earnings of some of the students who are limited by reason of being unable to find good jobs during the short summer months.

Each student pledges himself to the Superintendent of the Home giving him the rights of a parent and the Superintendent in the name of the Home pledges to the student to assume the responsibilities of a parent in providing for the need. Thus, a close cooperative effort is begun and carried out by those who are under the direction of the Home.

In some instances, the supervision of the student is committed to a parent or guardian and the Home contributes the necessary amount to the educational need.

This money is not a loan fund. These boys and girls are considered to be and really are children of the church; and as a part of the Barium family which is the church's family, have a right to share in this fund so long as they do their part and give a good account of themselves in their training or academic pursuits.

Biggest Day Of The Summer Finally Arrives

While December 25 is the greatest day of the year, June 30 will run it a close second in 1961. For on this day, the rising sun will find the whole campus alive and ready to go. Shoe shines, haircuts, suitcases, books, and bus tickets all taken care of, the boys and girls roll out of the campus headed for a two-weeks' stay with their friends and relatives. By car, by bus, and by train, they set forth with happy faces for a visit with the family, the renewal of acquaintances at home and a two weeks' of life without the ringing of the big bell in the tower. From the youngest to the oldest, this is a thrilling moment. After twelve years on the campus, it's easy for the Superintendent to remember the little folks of the baby cottage during the first summer saying "when is my bacation." Too little to pronounce it but quite capable of comprehending its meaning.

Nineteen Take Their Place As The New Seniors

The seniors have gone. Long live the seniors. These two sentences picture the recent happenings on the campus. The boys and girls who have been a part of the Barium Family for many years have graduated and have moved on into their places, and the nineteen members of the rising senior class have replaced them for the year to come. These ten girls and nine boys are already busy taking up the roles usually carried out by the members of the senior class. They will be host and hostesses at the tables. They will afford cottage leadership in the absence of the houseparent. They will enjoy the long awaited privilege of the coffee cup at the breakfast table and eagerly anticipate one year hence when they shall have completed their high school course.

Much is to be done through the summer and the senior year. Vocational guidance testing must be done to determine the interest and capabilities of each student. Plans must be made for college admission, for entrance to nurses' train-

THANK YOU

More than 30 boys and girls from the Home have attended the church camps operated by the Presbytery at Camp Grier during the summer. This has been made possible by the special gifts sent in by individuals and groups over the Synod. Now, a sincere thank you is in order and we pass on this word of appreciation.

HOMECOMING

Mark your calendar for the second Sunday in August for the Homecoming at Barium Springs. Registration will begin at nine o'clock, Sunday School at ten, morning worship at eleven, and picnic lunch at twelve thirty. Come, bring your family, friends, and a picnic basket.

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

Wedding bells sounded from Little Joe's Church this month when Miss Mary Emma McClure and Frank Garcia took the vows of holy matrimony. The Reverend Albert B. McClure, father of the bride, and the Reverend Frank Garcia, father of the bridegroom, read the marriage service. The event took place at four-thirty on Thursday afternoon, June 29, followed by a reception in Fellowship Hall, and was attended by the children and members of the staff of the Home, and by friends of both families far and near. Mr. and Mrs. Garcia will make their home in Princeton, New Jersey where Mr. Garcia is enrolled as a Senior in Princeton Theological Seminary.

The congregation observed the sacrament of the Lord's Supper on the last Sunday in June, a custom followed each year prior to departure for vacations. Phyllis Smith and Linda Truelove made a profession of faith in Jesus Christ and received the sacrament of Baptism. Gary Davis was received by certificate of transfer.

Mrs. Clinton Clontz, on leave of absence until September, has made arrangements for organ music during the summer months by calling upon one of her pupils, Miss Karen Crews; a former pupil, Miss Julia Clendenin a student at the new St. Andrews College; and her sister, Miss Mac Calhoun, a member of the faculty of the Iowa State College Music Department. We are fortunate to have these talented young ladies at our service during the summer months.

Tommy Joyner and Larry Waters were elected to the Usher's Guild and Howard Cox was named Captain. The ushers were formally installed as Junior Officers in the Church during a morning worship service.

Congratulations to Jean Ritter for her recitation from memory of the Westminster Shorter Catechism. She was awarded a Revised Standard Version of the Bible by the Board of Christian Education in Richmond, and received a two dollar cash award from the Synod's office in Raleigh.

Special offerings for Church Extension ($77.88) and the Mother's Day offering for the Presbyterian Home at High Point ($48.47) brought our total gifts to five special causes during the calendar year to nearly $500.

The main bulletin board in the narthex of the Church is being dressed these months by candidates for the God and Country Award, Eagle Scout Arthur Wiencken, Star Scout Charles McBennett, and First Class Scout Robert Wiencken.

June is the month for camps and conferences. A record number of our young people are taking part in the activities at Camp Grier this summer. They include 21 Senior Highs and more than a dozen Pioneers.

In a poem entitled THE PRESENT CRISIS, James Russell Lowell, writing in the nineteenth century, penned these words:

New occasions teach new duties;
Time makes ancient good uncouth;
They must upward still and onward,
Who would keep abreast of truth.

The New Testament calls us to move upward and onward too: we have not yet reached perfection, nor will we in this life, but we press on, hoping to take hold of that for which Christ has taken hold of us. Reaching out for what lies ahead, let us move steadily towards the goal "to win the prize which is God's call to the life above, in Christ Jesus."

NORTH COTTAGE

Hi Folks,

Once again school is out and our campus seems lonely since our seniors left. We had one senior to leave this year, Virginia Kiser, and we will have four girls graduating next year.

We are looking forward to swiming in our new swimming pool and the recreation that is planned for us this summer.

We have three girls going to camp this summer. Patsy Porter leaves for the first week June 5. Pam Fair and Patsy Ross leave for the second week June 17. After these girls get back from camp, it will be two weeks till vacation (June 30). This is the biggest event of every summer.

We have had a lot of fun during this school year. In May Mrs. Ellis went fishing in Georgia and brought back enough fish to feed us with all we wanted and Miss Ford's cottage too.

This year two women of the Board of Regents spent the night in our cottage. We were very happy to have them.

We all would like to wish you the happiest summer ever.

The North Girls

INFIRMARY

Hi Folks:

Here is the Infirmary again with the news. I guess everyone knows about our swimming pool by now. It is the main attraction of the campus. Wednesday, May 24, we had Dedication day for the swimming pool. Afterwards, everyone went into the pool for a swim. We certainly are proud of our beautiful pool.

Everyone is excited for school to be out now. Troutman School closed May 29, on Monday, and graduation was Monday night. Both of the Infirmary girls passed their grades. We will be Seniors next year.

We also get to go to camp this year and are very eagerly looking forward to it. We don't go to just have fun but to grow stronger in our Christian faith, so when we come back home we can be able to help others also.

Vacation is slipping upon us very fast and we are trying to make plans the best we can. We all look forward to vacation and hope to look forward to coming back also.

Good-bye,
Infirmary

HOWARD COTTAGE

Hi There,

Hurrah! School is out for the summer. We are all glad because it brings swimming, vacation, hiking, skating, and many other things.

Our cottage folks can't wait to get our new cottage. We expect to get it soon after vacation. It's going to be big and pretty, too!

Mr. Carter takes pictures of us sometimes when we don't know it. I heard he is going to show some tonight at the tennis court. One time he took one of me making a face but I didn't know it till I saw it.

Sunday we saw the seniors in their caps and gowns. They looked pretty marching in the processional.

Have a happy vacation!

RUMPLE HALL

Hi!

We took our first dip in the pool May 24. Although it was rather chilly we all enjoyed it. Mr. Carter opened the pool dedication with a prayer of consecration and Mr. McClure had a word of dedication. Then the seniors took the first dip followed by the first grade and up.

School was let out for the year Monday, May 29. Everyone is enjoying themselves and cleaning for the spring.

Our two seniors, Elva Medlin and Nancy Joyner, have parted from us now. Nancy left Monday after graduation and Elva left the following day. Nancy plans to attend W. C. in Greensboro and Elva has planned to go to Bowman-Gray. We wish these girls luck!

See you again next month.

JENNIE GILMER COTTAGE

Hi There,

The big news now is that school is out! For a month or more we've had a count-down of days and hours until school would be out and now we're starting to count the time until vacation. One of our boys, Lacy Lentz, was among the graduates this year and will be greatly missed by us and everyone on the campus. Another of our boys left to return to his home when school closed, and we will miss him also. We wish both Lacy and Charles Owens the best of everything as they go along life's way.

Another big event was the completion and Dedication of our beautiful new swimming pool. You really should see it! We've had a few dips already and will enjoy it for a long time to come. Many thanks to everyone who helped to make this possible.

Walter Barefoot, new vice-president of our Senior High Group, and Ed Barefoot, who is on the Senior High Council, will soon be leaving for Camp Grier and Senior High Camp.

Our birthdays for June are Walter Barefoot on June 3, 18 years old; James Dennis on June 23, 15 years old; and on July 9 Mac Truelove will be 10 years old.

Have a happy summer!

ing courses, and the other vocations that shall be chosen by the members of the class. The regular work prescribed by the high school must be completed in order to reach the coveted place on the platform to receive the high school diploma.

These new seniors were officially welcomed into their position at the staff meeting recently, where they together with the staff anticipate this eventful twelve months that lie ahead.

Shull And Wray Team Up For Summer Recreation

Miss Eleanor Shull, teacher of the Troutman school, and Mr. Dick Wray of the Davidson Student Body have joined with Mr. Steele of the campus to provide recreation for the boys and girls during the summer weeks. Several summers of experience in this kind of work fits Miss Eleanor Shull to do a splendid job in group recreation and arts and crafts. Dick Wray will spend a great deal of time in the pool in swimming classes during the morning and supervision of the pool in the afternoon and evening swims. Together with other leaders of the campus, we anticipate a fine and full summer of play in addition to the work programs that will keep the groups busy for a good part of the day.

Synod Sees Display And Hears Report Of The Home

Representatives of the Home attended the meeting of the Synod of North Carolina in Raleigh and the Superintendent, Albert B. McClure, reported to that body in connection with the report of the committee on Homes. Also, at the request of Doctor J. Harold Dudley, stated clerk of the Synod, a special booth was set up in the Coliseum to display the pictures and literature of the Home. This booth was manned both by students and staff members throughout the day of June 14 to give the eyes and ears of those passing by some word of the work that had been going on at Barium Springs for more than seven decades.
